EDUCATION

- **Bachelor Degree | Kardan University | Kabul, Afghanistan | 2020 – 2021**

I was studying for my bachelor's degree in the Computer Science field at Kardan University. I completed only 2 semesters and my GPA was 3.4. I was the topper of the first 2 semesters in the class. Unfortunately, I had to postpone my studies due to the political issues in Afghanistan. And now I hope to be able to continue my studies in abroad.

- **High School Diploma | Abdul Hadi Dawi High School | Kabul, Afghanistan | 2007 – 2019**

I graduated from school and achieved A grade on my transcript

- **IELTS Online| IDP | Kabul, Afghanistan | 2024**

I Passed the IELTS online exam and achieved 7 band overall score on my certificate.
(Listening 8.0 | Reading 6.5 | Writing 6.5 | Speaking 6.0)

- **English Diploma | Azeraksh Academic Center | Kabul, Afghanistan | 2016**

I got graduated from Azeraksh Academic Center, 10th Month English Program.

EXPERIENCE

- **Digital Content Manager | Doroly Inc. | Remote | 2019 – 2021**

During my tenure in Doroly, I was responsible for creating, designing, and improving media contents, as well as developing and designing WordPress websites.

- **Sales Executive | Afghan World Technologies (AWT) | Kabul, Afghanistan | On-site | 2019 – 2021**

During my tenure at Afghan World Technologies (AWT) as a sales executive, I was responsible for maintaining good client relationships, negotiating and closing deals, researching markets, preparing and sending quotes and proposals.

- **WordPress developer & Designer | Afghan World Technologies (AWT) | Kabul – Afghanistan | 2019 – 2021**

During my tenure at Afghan World Technologies (AWT) as a Word Press developer & designer, I was responsible for monitoring performance, debugging, responsive webpages, SEO, creating the website architecture. Everything from back end to front end was my responsibility.

- **WordPress developer & Graphics Designer | Afghan Global Ltd. | Kabul – Afghanistan | 2022 – 2024**

During my tenure at Afghan Global Ltd. as a Word Press developer & Graphics designer, I was responsible for creating logo, branding, designing brochures, flyers, Invoices, monitoring performance, debugging, responsive webpages, SEO, and creating the website architecture.
